

Town of Nederland Action Plan for 2017

Issue	Management Approach (see SWPP for details)	Who	When	Date Completed
Forest Fire	<ol style="list-style-type: none"> 1. Coordinate with City of Boulder to get an update on the City's Pre- and Post-Wildfire Planning, and coordinate on opportunities to participate in their efforts. Specifically, the City will establish watershed forest goals, which will include stakeholder meetings to evaluate opportunities and identify potential forest management projects to reduce effects of wildfires on priority watersheds. 2. Support the 2017 update of the CWPP and continue further implementation of Nederland's CWPP. 3. Finish fuels mitigation work at the water treatment plant. 4. Explore the possibility of utilizing CDPHE's BMP Implementation Grant to install infiltration galleries to reduce the impact of post fire sediment loading. 	<p>City of Boulder and Nederland</p> <p>Nederland</p> <p>Nederland Nederland and CRWA</p>	<p>2017</p> <p>2017</p> <p>2017 Summer 2017</p>	
Integration with the Town Master Infrastructure Plan	<ol style="list-style-type: none"> 1. Continue to study feasibility of adding raw water storage at Arapaho Ranch. 2. Meet with engineers and attorneys to determine what actions can be taken to maintain the Town's conditional water rights. 3. Continue Inflow and Infiltration repairs. 	<p>Nederland</p> <p>Nederland</p> <p>Nederland</p>	<p>2017</p> <p>2017</p> <p>2017 (ongoing)</p>	<p>Not feasible now</p> <p>Ongoing</p>
Onsite Wastewater Treatment Systems (OWTS)	<ol style="list-style-type: none"> 1. Create a concept and financial plan for sewerage all unsewered properties within service boundaries. 	<p>Nederland</p>	<p>2017-20</p>	
Education and Outreach	<ol style="list-style-type: none"> 1. Add notice of completed Source Water Protection Plan to the annual Consumer Confidence Report. 	<p>Nederland</p>	<p>June 2017</p>	
Monitoring	<ol style="list-style-type: none"> 1. Coordinate with the City of Boulder and leverage their source water protection planning process in progress to evaluate whether to begin water quality monitoring at the Nederland intake again. 2. Include water quality monitoring at the Nederland intake in the Capital improvements Plan for 2017 to help secure future funding and watch for grant opportunities 3. Monitor the progress of and continue to coordinate with the Eldora Town Site on the development of the Middle 	<p>Nederland</p> <p>Nederland</p> <p>Nederland</p>	<p>Ongoing</p> <p>2017</p> <p>2017</p>	

	Boulder Creek Watershed Preservation Plan.			
Review	1. The Town of Nederland Steering Committee will meet again in a year.	Nederland and CRWA	December 2017	

Town of Nederland Completed BMPs

Issue	Management Approach (see SWPP for details)	Who	When	Date Completed
