

TOWN OF NEDERLAND SUSTAINABILITY ADVISORY BOARD REGULAR BUSINESS MEETING

Nederland Community Center
Community Center Conference Room

February 23, 2017, 7:15 P.M.

Meeting Agenda

A. CALL TO ORDER: 7:15pm

B. ROLL CALL:

C. DISCUSSION ITEMS:

1. Town Ordinances: Who will take charge of these? How do we stand a good chance of convincing the BOT to pass these?
 - Zero Waste Event Ordinance - All major events held in Nederland must be Zero Waste. We can pull language from the current Town Event Ordinance.
 - Town Project LEED Ordinance – All new major Town construction projects should follow LEED tenets and apply for Silver LEED or higher certification. We need to expand on the language of the current resolution to include certification.
2. Community Agriculture
 - Grant Submitted for \$15,000 with a \$15,000 in-kind match. Need to construct greenhouse design team at this stage. Diana and Melody will be involved in this process; will recruit others at the next Ag meeting on Feb 28.
 - Joint meeting with PROSAB went very well and they were supportive of a native garden. We discussed the idea of using Town Hall as the location. The Ag committee will need to come up with a garden proposal and maintenance plan (preferably low-maintenance and volunteer-run) to go through PROSAB, which can help us get BOT approval under their parks plan, as well as

signage funding in the parks budget. Need to prove the garden and design plans are viable and maintainable.

D. PRESENTATION ITEMS:

1. Applicant Introduction – Jake Aho and Sarah Black
