

NEDERLAND SUSTAINABILITY ADVISORY BOARD PROPOSED AGENDA

meets first Wed. of each month at 6:30 p.m.

Agenda Items for discussion

- 1) Sidewalk II scorecard recommendations to BOT memo formulation
 - review techniques used to arrive at the rating or +28 out of a possible +-120
 - request additional information to understand premise for project other than apparent availability of funds'
 - lack of a plan for additional costs to towed route through business zone down 2nd street rather than down highway and through meadow.
 - benefits of sidewalks and suggest
- 2) Discuss explanation of scorecard as it will be presented to the BOT
- 3) Review town sites that are appropriate for solar gardens, and outreach info necessary to help involve locals. Also compare solar gardens benefits with home based solar installations.
- 4) Eco-Pass status
- 5) Vote on SAB position on not requiring paving in parking lots, ref: Thai Restaurant
- 6) Discuss advocating use of town property for siting Earthtub compost processing units on Ridge Rd.
