

# MEMORANDUM

To: Nederland Board of Trustees  
From: Alisha Reis  
Date: December 13, 2013  
Re: Administrator's Report

---

## Police Chief Search Yields Excellent Field

About two dozen residents turned out on Dec. 12 to meet the six candidates for Police Chief. The candidates answered questions submitted by the audience and informally interacted with folks after the formal portion was completed. The public meeting was one part of a recruiting process that also includes interviews with a six-member hiring committee and roundtable discussions with Nederland Police Officers.

The field was narrowed from about 40 applicants. The finalists have extensive backgrounds in policing and administration. The hiring committee will consider feedback from the public and the police officers as they formulate their recommendation for the Board of Trustees' consideration in January. The position is appointed by the Board and supervised by the Town Administrator. Nederland Sgt. Larry Johns has been serving as interim chief after the Sept. 20 resignation of former Chief Jake Adler.

## Report of Progress on 2-year Goals Included in Packet

Contained in the Board's packet this week is a more in-depth progress report on the board's 2012-2014 goals. The Board set its 2014 Budget Goals in June 2013, formulating the basis of the 2014 Budget, adopted on Dec. 10. Further discussion about the method of setting Board goals is scheduled for February 11.

The Board will set new goals for the next term (2014 to 2016) after the April 1 Board elections. Positions up for election include the Mayor and three Trustee positions. Information regarding elections and how to run will be placed on the Town's Web site in February.
