

Nederland Solar Rebate Still Open!

Up to \$1,150 in rebates now available for new Solar PV Systems in Nederland

What is it?

The Nederland Solar rebate is an incentive of up to \$1,150 (total) for new residential Solar PV systems installed in 2019. Boulder County EnergySmart is offering rebates of \$500 for new solar installations on a limited, first come, first served basis. Town of Nederland residents who receive this rebate will get a matching rebate of \$650 from the town, for a total of \$1,150!

This rebate is in addition to the Federal Solar Investment Tax Credit which allows you to deduct 30% of the cost of a solar installation from your taxes.

Eligibility and Requirements:

- Town of Nederland residents only (Ned community residents outside of town limits may still be eligible for the Boulder County EnergySmart Solar Rebate of \$500),
- New Solar PV installations only (add-ons do not qualify for this rebate)
- Installation must be performed by a NABCP certified solar installer (DIY does not qualify)
- All required town building permits and inspections must be complied with, as well as a utility (Xcel Energy) interconnection agreement
- Solar PV system must meet at least 50% of existing household electric consumption,
- The Nederland Solar and EnergySmart Solar Rebate may not be combined with other Boulder County solar PV incentives,
- All deadlines must be met to be eligible for the rebate,
- Rebates are limited in number and allocated on a first come, first served basis.

Deadlines:

- **May 31st, 2019**- Enroll in Boulder County EnergySmart Program
- **June 30th, 2019**- Contract signed between resident and NABCEP certified solar installer
- **October 31, 2019**- Solar installation completed, including final inspection
- **November 15, 2019**- All necessary paperwork submitted.

What do I do? It's easy. To get started enroll with EnergySmart by May 31st. Go to www.EnergySmartYes.com/sign-up/ or call **(303)544-1000** to sign up and connect with an energy advisor.
