

# TRAFFIC ADVISORY UPDATE 3.29.2019

*5-10 Minute Delays Expected Week of April 1*

Monday, April 1, through Friday, April 5, sections of travel lanes on State Highway 119 – Boulder Canyon, will have one lane closures in alternating directions. There will be up to 2 of these single lane closures set up throughout the canyon concurrently.

Between MP 30-33, work on drainage culverts along the highway are expected throughout the week. The locations of the culvert crews will change throughout the day. Motorist will be guided around the construction zones with traffic control flaggers.

The single lane closure hours are planned for 7 a.m. to 5 p.m. Speed limits are reduced to 25 miles per hour in the construction zones. The work is weather dependent and the schedule may change.

5-10 minute delays are expected through the canyon during commute hours. Please plan additional time to travel through the construction zones.

The 2-hour closures of the highway are scheduled for the week of April 15, 2019.
