- 1) At the top of the website, select from the drop-down menu if you are looking to make an appointment for Cardio, Studio or Weight Room.
 - If you looking to reserve more than one workout space, you will need to book separate appointments.
 - *Example:* If you want to use the cardio, studio and weight room from 9am – 10am, you will need to book each one separately for the 9am – 10am timeframe.
- 2) Find the date you want to book an appointment for on the calendar.
- 3) Click the **green** circle on the date selected.
- 4) The hours available will open up at the bottom of the site.
- 5) Select the time you want to make an appointment for.
 - To adhere to social distancing and sanitization guidelines, we are only permitting 3 individuals in each area at a time, so if there are already 3 people who have booked for a specific timeframe, you will need to select another time.
