TOWN HALL REOPENS & UTILITY PAYMENTS

Effective April 5, 2021, Town Hall will reopen its doors to the public.
Monday through Friday – 9am to 5pm

Space is limited, so only one person will be allowed in at a time (please check before entering).
This practice will be subject to change based on Boulder County's COVID Status Dial.
Masks must still be worn at all times while in Town Hall.

Cash payments may resume and be made more easily at this time.

**Until further notice, no late fees will be assessed,
nor will water/sewer services be discontinued due to non-payment.**

Although service will not be discontinued (until further notice), property owners will still receive notice when the account for their property has reached an aging over 70 days for each quarter, as applicable.
Property owners ultimately remain responsible for the utility account payment,
even when tenant occupied.

*If you have any questions pertaining to your utility account or need to make payment arrangements,
please contact the Utility Billing Dept. at
katm@nederlandco.org OR 303-258-3266 X4010*
